Tindlovu Launches Hot or NOT Competition

By Senior Journalist Ollie the Elephant

The Tindlovu Restaurant Group in a statement on Sunday declared the launch of their Hot or Not competition.

Tindlovu encourages customers to go to any of the Tindlovu Restaurant Facebook Pages and rate their menu items Hot or Not. "Tindlovu is a people based concept and we want to hear what makes our clients happy. We take all the comments into consideration and our development team improves on this feedback on a on-going basis, we also believe that we have to reward our customers for their time and hence the reason we have launched the #hotornot campaign" Mrs. Jo-Anne White—CEO of Tindlovu.

Tindlovu is giving away an all inclusive Bed & Breakfast stay for two for a lucky reviewer at their Tindlovu Country Lodge in White River at the end of August 2018 so keep the Hot or Not reviews coming and you could be rewarded for your review! Like us on any of our Tindlovu Restaurant Facebook pages and share your Hot or Not experience to win BIG! Visit our Tindlovu Restaurant Facebook pages for more information.
